A. Commissioner and Committee Reports

i. Treasurer's Report and Financial Items - **McNeil**

Comments:

- There is no irrigation system in place on the Crossgate Lane entrance side, and it was noted that while there was a water bill, we would need to investigate whether it was for both water meters or just Warrington entrance as we do not think we are using water at the Crossgate Lane entrance. We reviewed the consumption graph confirming zero excess water usage or any leak detection. It is not clear if we were charged correctly.
- We will continue to monitor water consumption since we believe there shouldn't currently be any, given the irrigation system at Crossgate entrance was damaged during the lane expansion project.
- Motion to accept the Treasurer's report - Commissioner Steiden
- Seconded by Commissioner Gerrish

All in favor: X Yes / No

Report approved: X Yes / No

ii. Report from – **Baker**

- n/a

iii. Report from – **Gerrish**

Comments:

- Public Works - Emailed KY Transportation Cabinet Project Manager
 - Asked to install power in the Warrington way entrance
 - Emailed and asked if they could reconsider the position of the fire hydrant on Brownsboro Road, as it is in the center of a resident's yard.
 - First layer of asphalt was laid today on the expansion for KY-22
 - New proposal for asphalt will be provided in August's meeting for the City of Crossgate neighborhood streets
 - We have a new neighbor 1803 Grantham court - like to get a welcome package to them
 - Waste management normally implements an increase - it was confirmed to be 5% increase

vi. Report from – **Krish**

Comments:

- In June's meeting, the resolution for the financial affidavit was read, notarized and

denied for lack of overall information. We have received information on what we were missing and that information has been turned in today, July 13th 2026.

- FY19 Financial Affidavit Resolution 2026-01 was read
- Motion to approve - Commissioner Gerrish
- Seconded by Commissioner Steiden

4. New Business

- Councilwoman McCraney is present
 - Commissioner Gerrish asked for help on getting a crosswalk implemented going from Crossgate to Holiday manor
- Treasurer McNeil showed that there is standing water near the Warrington entrance (days in a row) without any rain present
 - Last month, each entrance was billed for water usage
 - Continue to monitor the actual water level as well as the water bill itself
- Compliance on websites - review between Mayor Krish and City Clerk

5. Open Forum.

NOTE: Neighbors/Guests wishing to speak at the meeting must sign in at the beginning of the meeting. Neighbors/Guests will be limited to approximately 5 minutes of meeting time.

Comments:

Tom Elmes - Concern with a safety hazard, bushes that are approximately 4-5 feet tall, creating a blind corner for pedestrians. Photos were sent to the Commissioners showing a lack of visibility on the incoming and outgoing traffic.

Commissioner Thatcher agrees with Tom and believes that the bushes themselves are on an easement, leaving the decision up to the commission. Proposal to move forward will be brought to the August meeting.

Commissioner Gerrish will get a quote to remove the bushes.

Councilwoman McCraney- The budget was approved with some money in it for infrastructure improvements. We may have some left over, and they are offering to partner with several cities.

Taking a survey on if our city has flock cameras. We currently do not have any

cameras installed, however, we have discussed this in the past. Most smaller cities have these cameras at the entrances. More information will be provided once the Councilwoman has more feedback.

Data Center Discussion - We don't know what the consumer cost will be, which is why Councilwoman McCraney is against them. One will be proposed for West Louisville near Cane Run road. When more information is provided to Councilwoman McCraney, she will provide it to Mayor Krish.

Commissioner Gerrish has asked about Short Term Rentals. She said to mimic other cities around us if we would like restrictions in place. The VA could potentially affect the neighborhood in a negative way.

Tom Elmes has asked about Herr Lane. It will be widened to get in the turning lane quicker heading onto Westport Road.
