Comments:

- We had the meeting about the Sina property, the next day we talk with Travis re: Waste Management working in the front yard and connected him with the Waste Management VA contact for ongoing communication.
 - o Mayor: talked with Scott and MSD, one of the Commissioners at Greymoor-Devondale works at MSD and we now have an Encroachment Permit that defines what we will authorize and what they will repair. Will refer Scott to you to get. There is an ability for us to enforce a bond which could incur delays. Singler suggested that they, Walsh, write us a check for us to hold for the “just in case.”
- Financials: Morrison has already saved us at least \$100/month over what we were spending with LawnCo., and getting better service.

Comments:

- Sina: (Mayor) Wayne and John Talbot reached out. Sina has to present to us an Agreement for review. Traffic will be an issue and there is talk of multiple options. They wanted to know how open we were to adjusting the building plan to two 2-story buildings instead of one 3-story and one 1-story buildings. They still have to do a traffic study.
- Providence Pointe: No new news
- KABA: Public Meeting coming up this week. There will be a plan with a proposed 70 townhomes.
- Welcome to the new owners of the Haverville House.

B. Mayor's Report – *Mayor Hilbrecht

Comments:

- The weekly emails are doing well and will be printed for boxes since there are still those who don't use email.

- We recognize the pounding is loud, we may be able to ask for for a later blasting time.
- Neighbor complaints: we will have the Good Neighbor email to go out again with strong emphasis on spring cleaning and also remind neighbors that communication is helpful before creating an Ordinance.
