iv. Commissioner's report – ***Commissioner Gerrish
Road Safety/Speeding Task Force***

Other Committees: Contracts, Neighborhood Storage and Road Services Committees

Comments:

- The project to upgrade the front entrance landscaping is on hold until we see if the contractor is able to bore under Crossgate Lane. Upon inspection it shows an easement back some 15 feet or so. We'll let them do their magic and then revisit the front entrances. Please submit any ideas or contractors to me if you think they might be interested.
- Morrison Landscaping is "winterizing" the irrigation systems at both entrances by mid-November.
- Waste Management changed the pick-up of waste on October 16th effective October 30th. Trash pick-up remains weekly and yard waste AND recycling will get picked up on alternate Mondays. The schedule is in the weekly Crossgate newsletter for accuracy.
- Was able to get Waste Mgt to come back to the neighborhood for a missed recycle collection.
- Have not had any communication with the Cooks since our last discussion in October.
- Have received multiple complaints from 3932 Brownsboro Road that Waste Management often forgets to pick up their trash.
- Received Nalley's Snow Removal contract, and he is now charging \$250 per month, non-refundable so our deposit is \$750.
- Inviting all neighbors to submit ideas for new front entrance shrubs, bushes and flowers.
- Solicited a proposal for fall leaf removal using a curbside vacuum for our commissioners to evaluate.

v. Commissioner's report – ***Commissioner Krish
Short Term/Temporary Rental Policies Task Force***

Other Committees: Ordinance Review Committee

Comments:

- Bull Run: They are putting in sidewalks and right-of-ways. They will be working 9a to 3p through November.
 - o (Mayor) What's happening in the front of Crossgate?
 - It's for the widening of Old Brownsboro Rd.
 - (Mayor) We can get Councilwoman McCraney to help.
- Speed Humps: They will be large and paved. Louisville Paving has scouted the best locations for two speed humps. They will be marked and have signage to indicate placement.
- Q: Are they putting a storm drain along the back of the apartments? Yes. They are building large retention basins.

B. Mayor's Report – *Mayor Hilbrecht*
Neighborhood Walk/ 'Good Will Patrol' Task Force

Comments:

- Talking to the Cooks about parking on the street overnight.
 - Reviewing previous ordinances and about 85% done with drafting new ordinance, to include defining what a commercial vehicle is, to be brought to the Commission. It's a multi-step process to get the definitions and systems in place before voting that includes involvement with the Lyndon Police. Realistically, two-to-three months away from the voting stage.
